I am a customer of Dominion Energy

2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)

I object to any rate increase requested by Dominion Energy. Rate increases were supposed to be disallowed for a period of 8 years as an offset to the overages paid by customers for the failed nuclear plant (See Appendix A, Section 3-d to the SCANA Corp. / Dominion Energy Agreement dated 1/2/2018; see <https://www.sec.gov/Archives/edgar/data/715957/000119312518003213/d516319dex21.htm>). However, two such rate increases have been allowed since then - one in 2020 and one on July 22, 2021. This must stop NOW. It is long past time to hold Dominion to its contract and promises to its customers.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \*
